Once signed, please return to your supervisor. Thank you.

Tisch Library supports all Tufts University policies, procedures, and responsibilities as stated in the student handbook and code of conduct ([Tufts Student Employment Manual](#)) ([Code of Conduct](#)). As an employee of the library, you are expected to adhere to these policies, procedures, and responsibilities whenever you are on the job.

It is our goal to have all student employees feel welcomed and fully integrated into our Library. Together we can provide the environment and the services of our Library in a way that generates personal pride in our work and in Tufts University.

I have read, and I understand, the policies stated in this manual.
