Tufts Virtual Private Network (VPN)	1
Tufts Mobile Application.....	1

[Flexible Work Arrangement Form](#)

Request form for flexible and compressed work week schedule.

[Tufts Virtual Private Network \(VPN\)](#)

Create a private and secure connection to the Tufts network from off-campus. Contact [Tufts Technology Services](#) with questions – email: tts@tufts.edu, or phone: (617) 627 – 3376.

[Tufts Mobile Application](#)

Tufts Mobile Application, available via the App Store or on your desktop web browser, puts the university at your fingertips. Tufts Mobile is designed specifically to meet the needs of on-the-go users, helping the community get important university information.
